Hello Kentucky FCCLA! The State Executive Council hopes you have had an amazing year so far! With FCCLA, there are many opportunities given, skills learned, and always friends being made. FCCLA offers so much and gives its members many experiences that will affect them tremendously. Throughout the 2018-19 school year, the KY FCCLA SEC has grown into a group of people who are amazing leaders, people, and friends. We hope you have done the same! We are so excited to showcase and see all the FCCLA stories at this year’s State Leadership Conference. SLC will be from March 19-21, 2019. We are preparing to see great STAR Events, National Program participants, and the 2019-202 KY FCCLA State Executive Council. FCCLA is truly the ultimate leadership experience.

Great leaders don’t set out to be a leader… they set out to make a difference. It’s never about the role- always about the goal.
FCCLA wouldn’t be FCCLA without….
ITS MEMBERS!!!!

KY FCCLA is extremely appreciative of all our members and would like to give spotlights out to three amazing members!

**Davina Wallace**
This spotlight is based on Davina Wallace of the Lyon FCCLA Chapter. She is currently a freshman who has jumped feet first into the life of FCCLA. She is the President of the Junior Parliamentary Procedure team and has already attended a Nation Cluster Meeting. Davina is on the fast track to be a wonderful leader. She is applying for Chapter office for next year and even looks forward to possibly applying for a State office in the future. While being involved she also enjoys singing, drawing, and playing board games with her family. Davina’s favorite things about FCCLA include the opportunities for traveling, working on personal social skills, making new friends, and STAR Events.

**Callie Mullins**
Amazing, caring, creative, intelligent, and a leader. These are just a few of the words to describe member Callie Mullins from the Sheldon Clark High School Chapter. Callie is a senior and a 4-year member of FCCLA. She has participated in multiple STAR events and has held many chapter and regional offices. She has attended many regional, state, and national meetings. At the 2016 National Leadership Conference in San Diego, CA, Callie received a gold medal in Advocacy. She advocated for education in third-world countries. She is truly inspiring. Callie has done so much for FCCLA and we are so thankful for her.

**Cameron Brown**
Cameron Brown is a part of FCCLA Alumni and was an active member for 3 years in the Rockcastle county chapter of FCCLA! He’s participated in STAR Events, was the recipient of the Vaughn Williamson Scholarship in 2018. He has served FCCLA as chapter and regional president during the 2018-2019 school year. He is now giving back to KY FCCLA as he said yes to FCS and is planning on becoming a family and consumer sciences teacher & an FCCLA Adviser. He has done an outstanding job of representing FCCLA and is missed by many FCCLA members!

Kentucky FCCLA, it is almost time for SLC!! The SEC hopes you are ready to have a week of fun! At this year’s conference, you are guaranteed to have the time of your life. With amazing STAR Events, Keynote speakers, and great sessions, the 74th SLC might be the best yet! KY FCCLA is very excited, and you should be too. Start your countdown! It will be here before you know it. The keynote speaker is Ms. Heather Schultz as she will speak on “Power Through” and lead a concurrent session entitled “Live, Laugh and Lead”.

Heather is sure to motivate and give you skills to Lead and Be the Change!

Invitation to National Leadership Conference
Noah Dunaway

Lights camera action! Pack your bags and get ready Kentucky FCCLA! We are heading to Anaheim, California, the home of Disneyland and California Adventures. We need all the Kentucky superstars we can get to represent us at this year’s national leadership conference. With an amazing National Executive Council and a great city to visit you are sure to have a great time. This is your opportunity to experience new things, meet new people, and further your passion for FCCLA. We hope to see everyone there for a week of fun June 28- July 5, 2019! We will be staying in the Hilton Hotel on Convention Way. See you in Cali!

Why You Should Attend National Leadership Conference
Hope Clontz

FCCLA National Leadership Conference is one of the amazing opportunities our organization offers. For starters, NLC is always held in popular traveling locations! Have you ever wanted to visit New York? California? Texas? FCCLA has got you covered, along with so many more destinations. While attending NLC you get to network with people who have the same passion as you for FCCLA. Networking with people from all over the states can help you bring back ideas to improve your state, regional, and chapter. Along with networking, you meet so many awesome people and form friendships from all over the US. Another advantage of attending NLC, is you get to compete in all sorts of categories. You get recognized with a pin and a metal! Attending NLC a chance you wouldn’t want to miss!
CTSO Day Recap

Hannah Kimmel

CTSO day was held Tuesday, February 12th at the State Capital in Frankfort. During the day CTSO officers and members traveled from across the state to meet different senators to discuss CTSO goals and to thank them for their support. To kick off the event, state officers from the different CTSOs arrived a day early to learn about the legislative process and how it affects Career and Technical Education. Through this training, officers learned an assortment of things to help make the day at the capitol impactful. We learned how to communicate professionally, the process of passing a bill, why being politically aware is important, and of how we can use our leadership skills to make connections. After the session ended it was shut eye for everyone as the next day started bright and early. CTSO day started with a viewing of a House Education Committee Meeting as well as Legislative visits. State officers had the opportunity to spend one on one time with their local politicians and discuss their perspective CTSO goals and objectives for the year. Throughout the day those attending were able to visit with several legislators and tour the State Capitol. Students from across the state and from varying CTSOs were able to network and share a common goal by bringing attention to Career and Technical Education and those leading their local, region and state organizations. Overall, FCCLA made a great impression!
Do you have the Power of One?
Kate Taylor

The national Program, Power of One, helps students find and use their personal power. Members set their own goals, work to achieve them, and enjoy the results. The skills members learn in Power of One help them now and in the future, with friends and family, in their future at college, and on the job. When I completed this national program, I was a freshman and it gave me a quick taste of what FCCLA was like. I enjoyed completing goals that coordinated with the five units – A Better You, Family Ties, Working on Working, Take the Lead, and Speak Out for FCCLA. After completing my Power of One I received national recognition at the National Leadership Meeting in San Diego, California. I never would have thought in a million years that I would be given this opportunity as a freshman. Each year I check up on my Power of One to see how far I have come and how my goals have changed. If you have ever thought about setting a special goal, Power of One is for you!
Have you held any fundraisers for our statewide community service initiative, Sepsis Alliance? If the answer is no, you still have time to help this great cause. As of February 10, 2019, Kentucky FCCLA has raised just over $6,000. This is a great start, but can be even better if you, Kentucky FCCLA, come together and host even more fundraising events. Your challenge is to hold a fundraiser, no matter how big or small. Some ideal fundraisers are bake sales, car washes, or even sponsorships. McCracken County High School FCCLA is currently holding a fundraiser called “Make it rain for Sepsis.” This is where students placed an upside-down umbrella from the ceiling in FCS classes. Students have fun while throwing coins into the umbrella, and when they make it, it is an instant donation.

This is a great way to get all students involved and sparks interest in learning about the Sepsis Alliance.
Another Year of KY FCCLA History in the Books!

Jaclyn Little

Kentucky FCCLA has had a critical impact on the foundation of our national organization. The 2018-2019 school year has continued this tradition! 2018-2019 has been a year of laughter, hardships, and moments that made our organization stronger together. Throughout this year many members have had opportunities that they have never experienced before including attending Cluster in our home state. Members have made their mark in FCCLA through volunteering for the hospitality table, concurrent sessions, and greeting other members before the opening and closing sessions. Many opportunities have been available to members throughout the 2018-2019 school year. These opportunities include Leadership Camp, Capitol Leadership, and State Leadership Conference. This year has been one for the books and reflects the impact of Kentucky FCCLA on our national organization. The State Executive council has been hard at work representing Kentucky FCCLA in many ways and can’t wait to see each one of you at 74th State Leadership Conference, March 19-21, 2019. So you can add to the history with your chapter accomplishments.
