The Kentucky Association of Family Career and Community Leaders of America is seeking sponsors for STAR Events (Student Taking Action through Recognition). These events are held annually in conjunction with the State Meeting. This year the State Meeting is March 25-27, 2020 at the Galt House in Louisville, KY.

The cost of sponsoring an event is $20.00. This helps defray the costs of the plaques for the first place winner(s) in each event and the purchase of gold medallions for every participant in the state events.

ANYONE may sponsor an event. It can be an individual, business, chapter, region, university, alumni member etc. You may sponsor more than one event by sending $20.00 for each event (that will be noted with the number of events sponsored by your name).

The young people of Kentucky are our most treasured commodity. Please show these students’ you care by helping to support their effort in STAR Events.

Please fill out this form and mail by February 10th with a check for $20.00 for each event sponsored to: KY FCCLA, Reeca Carver, State Adviser, 300 Building 5th Floor, 300 Sower Blvd, Frankfort, KY 40601.

Name: ____________________________________________________

Address: ____________________________

________________________________________________________

Phone: _________________________

Number of Events you wish to sponsor _____ x 15= ____________ (Amount enclosed)

The way you want your name to appear in the program:

Make checks payable to the Kentucky Association of FCCLA

Thank you.
